PRODUCT SKULL	CODE	UNIT PRICE
FULL SKULL With mandible.	SK/1600	£75.00
FULL SKULL Without mandible.	SK/1601	£62.00
FULL SKULL With mandible, mid-face fracture.	SK/1602	£95.00
FULL SKULL With mandible, naso-orbital-ethmoidal fracture.	SK/1603	£95.00
SKULL CAP Standard (no fractures).	SK/1604	£18.50
SKULL CAP With three 4cm x 4cm cranial flaps (soft foam backing).	SK/1605	£32.00
HALF SKULL Left lateral half.	SK/1606	£35.00
HALF SKULL Right lateral half.	SK/1607	£35.00
FULL SKULL Without Mandible. Includes left lateral flap approximately 6 cm x 7 cm. Uses a 1.5 mm cut to provide gap. All cuts at a right angle to the cranium.	SK/1608	£95.00
FULL SKULL With Mandible and vice attachment block, Solid White Plastic	SK/1609	£160.00
FULL SKULL Clearcast With Mandible and vice attachment block.	SK/1610	£230.00
FULL SKULL With Mandible. Includes types I, II, and III LeForte fractures and transverse fracture on both sides of mandible between the first and second molar. Reattached with rubber bands.	SK/1611	£95.00
FULL SKULL With Mandible. Zygomatic arch fracture, frontal arch fracture, type I LeForte fracture, and transverse fracture on mandible one side only.	SK/1612	£95.00
FULL SKULL With Mandible. Naso-ethmoid and LeForte II fractures on the left side, zygomatic arch fracture, sagittal fracture of the mandible.	SK/1613	£95.00
FULL SKULL With Mandible. LeForte I fracture of maxilla. The pterygoid plates are removed in a sagittal split fracture on both sides of mandible.	SK/1614	£95.00
FULL SKULL With nasal orbital and zygomatic fracture scored, solid mandible with angle fracture on left side and 2 scored on right side behind last molar and premolar. Holes between teeth.	SK/1615	£95.00

LBC CATALOG

FULL SKULL With Mandible. LeForte I fracture, bilateral zygomatic arch fracture, and transverse mandibular body fracture.	SK/1616	£95.00

FEMURS(MEDIUM./LARGE)DEFORMITY		
FEMUR Medium Left With a 15° distal varus deformity, length 42cm Canal diameter 15mm	F/1107	£18.50
FEMUR Medium Left With 25° distal valgus deformity	F/1117	£18.50
FEMUR Medium Left With mid-shaft malunion and 45° anteversion medially angulated and malrotated	F/1118	£18.50
FEMUR Medium Left Includes distal third malunion with 40° medial rotation and 30° angulation	F/1119	£18.50
FEMUR Large Left With 30° distal valgus malunion	F/1116	£21.00
FEMUR Large Left With 12 ° distal valgus deformity	F/1121	£21.00
FEMUR Large Left With 12 ° distal valgus deformity	F/1130	£21.00
FEMUR Medium Left With distal third malunion with 45 degree medial rotation and 30 degree angulation.	F/1132	£18.50
FEMUR Left Pediatric, Epiphyseal lines defined	F/1131	£12.50

PRODUCT	CODE	UNIT PRICE
FEMURS (LARGE) FRACTURES		
FEMUR Large Left With a proximal neck fracture, length 47cm canal diameter 15m.	F/1122	£19.50
FEMUR Large Left With comminuted intertrochanteric fracture.	F/1123	£19.50
FEMUR Large Left With 3-part subtrochanteric neck fracture, proximal neck fracture and a distal Y fracture.	F/1124	£19.50
FEMUR Large Left With a proximal reverse subtrochanteric fracture.	F/1125	£19.50
FEMUR Large Left With a subtrochanteric fracture	F/1128	£19.50
FEMUR Large Left With a 3-part reverse trochanteric fracture	F/1129	£19.50
FEMUR Large Left With a distal T fracture, length 47cm. Canal diameter 15mm	F/1108	£19.50

LBC CATALOG

FEMUR Large Left With a distal long oblique bicondylar fracture and a posterior congenital fracture of the lateral condyle	F/1109	£19.50
FEMUR Large Left With a distal Y fracture and a posterior tangential vertical fracture on the lateral condyle	F/1110	£19.50
FEMUR Large Left With a distal transverse fracture approximately 5cm above the condyle to the posterior tangential lateral condylar fracture	F/1112	£19.50
FEMUR Large Left With a proximal reverse subtrochanteric spiral fracture Length 47cm. Canal diameter 15mm	F/1113	£19.50
FEMUR Large Left With extra-articular supracondylar distal fracture. Length 47cm. Canal diameter 15mm. Head diameter 52mm. Lateral to medial condyle width 79mm	F/1114	£19.50
FEMUR Large Left With subtrochanteric fracture. Length 47cm. Canal diameter 15mm	F/1115	£19.50
FEMUR Large Left With a subtrochanteric spiral fracture with a lesser trochanter attached to the distal fragment.	F/1133	£19.50

PRODUCT	CODE	UNIT PRICE
METATARSAL		
METATARSAL LARGE Left First tarsal and metatarsal only.	MET/1602	£8.50
METATARSAL LARGE Left First metatarsal deformed with hallux hammertoe.	MET/1603	£8.50
FOREFOOT LARGE Left With union of first metatarsal and hammertoe of second metatarsal.	MET/1604	£8.50
METATARSAL LARGE Left With bunionectomy of the first metatarsal and hammertoe of the second metatarsal. Comes in two separate pieces.	MET/1605	£12.50
METATARSAL LARGE Left First and second metatarsal with hammertoe of the second metatarsal. Includes short oblique fracture of first metatarsal proximal portion.	MET/1606	£15.00

HUMERUS Large Left With a 4-part proximal fracture.	H/1821	£17.00
HUMERUS Large Left 30° distal varus deformity and 20° forward flexion.	H/1823	£18.00
HUMERUS Large Left 3-part proximal fracture. Length 36cm, Canal diameter 10mm.	H/1822	£17.00

PRODUCT ELBOW	CODE	UNIT PRICE
ELBOW Large Left Includes ulna, radius and humerus. Articulated with rubber bands. Full range motion.	URH/1937	£35.00
ELBOW Large Left Ligamented to simulate contracture in 60% of flexion.	URH/1939	£38.00

PRODUCT ULNA	CODE	UNIT PRICE
ULNA Large Left Length 28cm.	U/2014	£ 9.25
ULNA Large Left With an olecranon transverse fracture. Length 28cm.	U/2018	£12.00
ULNA / RADIUS Large Left With a pronator quadratus with radial fracture.	U/2015	£21.00
ULNA / RADIUS Large Left With mid-shaft radial fracture and distal ulna fracture.	UR/2016	£21.00
ULNA / RADIUS Large Left Articulated with large left radius.	UR/2024	£18.50
ULNA / RADIUS Large Left With a large left radius. Includes mid-shaft radial fracture and distal ulna fracture.	UR/2024	£21.00

LBC CATALOG

ULNA Large Left With a midshaft oblique fracture and proximal olecranon fracture.	U/2019	£12.00
ULNA / RADIUS Large Left With a distal two part volar fracture.	UR/2025	£21.00

PRODUCT RADIUS	CODE	UNIT PRICE
RADIUS Large Left Length 26cm.	R/2401	£ 9.25
RADIUS Large Left With short oblique mid-shaft fracture. Length 26cm.	R/2402	£11.00
RADIUS Large Left With a 3-part distal fracture.	R/2403	£13.50
RADIUS Large Left With a distal trasverse fracture.	R/2404	£12.50
RADIUS Large Left With a Dorsal 25 degree angulation.	R/2405	£13.50

PRODUCT HAND	CODE	UNIT PRICE
HAND Large Left	H/2210	£12.50
HAND Large Left Transverse fracture of poximal third of the thumb. Transverse mid-shaft metacarpal fracture of the ring finger and distal transverse fracture of metacarpal little finger.	H/2213	£24.50
HAND Large Left With moveable scaphoid and transverse fracture of the scaphoid. Includes trapezium ligament.	H/2214	£24.50

PRODUCT WRIST	CODE	UNIT PRICE
WRIST Large Left Includes hand, ulna and radius. Articulated with elastic cord.	W/2340	£35.00
WRIST Large Left (HYPOPLASTIC ULNA) Radius is normal length, ulna is short and expanded at the end for 3-4cm.	W/2342	£38.50
WRIST Large Left Includes colles fracture of the radius, short oblique mid-shaft fracture of the ulna.	W/2343	£39.50

LBC CATALOG

WRIST Large Left Articulated with hand, ulna, and radius. Radius has distal malunion creating dorsal tilt of 13 degrees.	W/2345	£38.50
WRIST Large Left With a Four-part radial fracture with displaced fragments under tension.	W/2344	£39.50
